§25.42 Testing of measuring devices.

(a) *General requirements.* If a measuring device such as a meter or gauge glass is used to measure beer, the brewer shall periodically test the measuring device and adjust or repair it, if necessary. The brewer shall keep records of tests available for inspection by ATF officers. Records of tests will include:

- (1) Date of test;
- (2) Identity of meter or measuring device;
- (3) Result of test; and
- (4) Corrective action taken, if necessary.

(b) *Requirements for beer meters.* The allowable variation for beer meters as established by testing may not exceed ± 0.5 percent. If a meter test discloses an error in excess of the allowable variation, the brewer shall immediately adjust or repair the meter. Adjustments will reduce the error to as near zero as practicable.

(c) *Authority to require tests.* If the regional director (compliance) has reason to believe that the accuracy or reliability of a measuring device is not being properly maintained, he or she may require the brewer to test the measuring device and, if necessary, adjust or repair the measuring device.

Subpart F—Miscellaneous Provisions

§25.51 ATF officer's right of entry and examination.

An ATF officer may enter, during normal business hours, a brewery or other place where beer is stored and may, when the premises are open at other times, enter those premises in the performance of official duties. ATF officers shall make inspections as the regional director (compliance) deems necessary to determine that operations are conducted in compliance with the law and this part. The owner of any building or place where beer is pro-

duced, made, or kept, or person having charge over such premises, who refuses to admit an ATF officer acting under 26 U.S.C. 7606, or who refuses to permit an ATF officer to examine beer shall, for each refusal, forfeit \$500.

(Act of August 16, 1954, 68A Stat. 872, 903, as amended (26 U.S.C. 7342, 7606))

§25.52 Variations from requirements.

(a) *Exceptions to construction, equipment and methods of operations (1) General.* The Director may approve details of construction, equipment or methods of operations, in lieu of those specified in this part. The brewer shall show that it is impracticable to conform to the prescribed specification, and that the proposed variance: (i) will afford the protection to the revenue intended by the specifications in this part; (ii) will not hinder the effective administration of this part, and (iii) is not contrary to any provision of law.

(2) *Application.* A brewer who proposes to employ methods of operations or construction or equipment other than as provided in this part shall submit an application to the regional director (compliance). The application will describe the proposed variation and state the need for it. The brewer shall submit drawings or photographs if necessary to describe the proposed variation.

(3) *Approval by Director.* The Director may approve the use of an alternate method or procedure if:

- (i) The brewer shows good cause for its use;
- (ii) It is consistent with the purpose and effect of the procedure prescribed by this part and provides equal security to the revenue;
- (iii) It is not contrary to law; and
- (iv) It will not cause an increase in cost to the Government and will not hinder the effective administration of this part.

(4) *Exceptions.* The Director may not authorize an alternate method or procedure relating to the giving of any bond, or to the assessment, payment, or collection of tax.

(5) *Conditions of approval.* A brewer may not employ an alternate method or procedure until the Director has approved its use. The brewer shall, during
